Dear Girls and Boys

What a lovely surprise! All the goodies which you so kindly brought into school for our Mums and babies, was so thoughtful of you all. There was something for everyone, and I am going to make separate gift bags for Mothers Day with all the lovely things. Our Mums will love them.

It was lovely to see Mrs McHale and her pupils, and I hope they enjoyed their visit to the unit. Your kindness is really appreciated by our young Mums, at a time when they are trying to get themselves back on their feet.

Our babies will all look bonny and smell beautiful, thanks to your kindness!! 😊😊

Very best wishes

Judith & Staff
